In no circumstances will the fee paid be refunded. Delay in this respect may render a candidate's name liable to removal from the list of examinees. On complying with this requirement, the candidates will receive from the Secretary a time-table for the examination. The examination will be held at two centres, viz., Calcutta and Dacca, if sufficient candidates are forthcoming. The candidates should clearly mention in their application forms the centre where they wish to sit. The dates and place of the examination will be communicated to the candidates separately.

8. **Canvassing.**—Any attempt on the part of a candidate to enlist support for his application through persons of influence or officials of Government will disqualify him for appointment. 11. **Syllabus of examination and marks.**—The examinations will be held in the subjects and according to the syllabus shown in Schedule II which also indicates the numerical value to be attached to each paper at the examination.

As the possession of a knowledge of a provincial vernacular is an essential condition of appointment, candidates, whose ordinary spoken and written language is not Bengali, must take up translation from English into one of the provincial vernaculars named below:—

(*i*) Bengali,

(*ii*) Hindi,

(*iii*) Urdu,

(*iv*) Nepali,

and *vice versa* in the compulsory paper. Successful candidates, however, who have offered any language other than Bengali in that paper and are appointed to a service for which there is a Departmental Examination, will be required to pass completely the Departmental Examinations in Bengali within two years of the date of their appointment to the service.

12. **Medical Examination.**—As soon as the results of the examinations are ready, a proportion of the candidates who have qualified will be called upon to appear before a Medical Board for a certificate of their fitness for Government service in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. An order to appear before the Medical Board must not however be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be slightly in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole. Regulations governing the physical examination of candidates are set forth in Schedule IV of the Bengal Provincial Services Recruitment Rules and intending candidates are advised before they apply for admission to the examination to satisfy themselves that they are likely to qualify as physically fit under those regulations, for experience has shown that a considerable number of the candidates at the competitive examinations are subsequently rejected by the Medical Board as unfit.

13. **Availability of old question papers.**—These question papers may be purchased from the Publication Branch, Bengal Government Press, Alipore, or from Cash Sales Office, Writers' Buildings, Calcutta, at Re. 1 for a complete set of questions for one year.

NOTICE.

APPLICATIONS are invited from Muslim candidates to fill three vacancies in the Bengal Civil Service (Judicial).

4. Persons who may wish to apply should submit their applications on the prescribed form, copies of which and of the Bengal Civil Service (Judicial) Recruitment Rules, 1941, may be obtained from the office of the Public Service Commission, Bengal, Anderson House, Alipore, Calcutta, personally or **on sending an addressed envelope with a nine pies stamp.** The applications must not be addressed to the Secretary by name and should reach him, complete with necessary certificates, treasury chalan (for Rs. 10), etc., not later than the 31st August 1946.

5. A number of candidates considered prima facie suitable will be called upon to appear before a Medical Board for a declaration of their fitness for Government Service in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. An order to appear before the Medical Board must not, however, be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole. Intending candidates are advised before they apply for recruitment to the service to satisfy themselves that they are likely to qualify as physically fit, for experience has shown that a considerable number of the candidates are rejected by the Medical Board as unfit.

6. The Commission will only acknowledge receipt of an application or reply to an enquiry about an application if a stamped envelope accompanies the enquiry or request for acknowledgment. The Commission are unable to give any indication of what has been their recommendation to Government in respect of an application received by them.

SUPPLEMENT—Official Papers.

DIRECTORATE OF AGRICULTURE, BENGAL.

Calcutta, the 31st July 1946.

Forecast of the Summer Til (Sesamum) Crop of Bengal for 1946-47.

(*Note.*—On an average of the five years ending 1943-44, the area under Til in Bengal has represented some 3·6 per cent. of the area under Til in India.)

Character of the season.—The weather was not generally favourable at the time of sowing, which was done mostly in normal times. There has also been some damage due to heavy rains at the early stage of growth, particularly in north and south-east Bengal. Conditions, however, improved later.

Acreage.—The area sown with the crop this year is estimated at 95,700 acres as against 104,100 acres last year. The decrease is mainly due to increased cultivation of food crops and unfavourable weather conditions prevailing at the time of sowing.

Outturn.—The outturn per acre for the province as a whole is estimated at 63 per cent. of the normal this year as against 76 per cent. of the normal last year.

Total yield.—Taking the normal yield at 7 maunds per acre, the gross outturn of the crop for the province is estimated at 15,500 tons this year as against 20,300 tons last year.

W. M. CLARK,
Additional Director of Agriculture,
for Director of Agriculture, Bengal.

A number of candidates considered prima facie suitable will be called upon to appear before a Medical Board for a declaration of their fitness for Government Sevice in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. Intending candidates are advised before they apply for recruitment to the Service to satisfy themselves that they are likely to qualify as physically fit, for experience has shown that a considerable number of them are rejected by the Medical Board as unfit.

5. The Commission will only acknowledge the receipt of an application or reply to an enquiry about an application if a stamped envelope accompanies the enquiry or request for acknowledgment. A SPECIAL supplementary competitive examination for direct appointment to the Bengal Civil Service (Executive), and the Bengal Junior Civil Service will be held in November 1946 in accordance with Rule IX of the Bengal Provincial Services Recruitment Rules, published in notification No. 7183A., dated the 22nd May 1930.

2. **Vacancies.**—The following vacancies will be filled on the results of this examination:—

Bengal Civil Service (Executive)—14.

Bengal Junior Civil Service—75.

Each candidate will be required to specify in his application the service or services for which he desires to compete, placing them in the order of his preference, and the choice thus indicated will be final. Candidates will not be allowed to alter their choice of services; only in exceptional cases such applications may be considered provided they reach the Secretary, Public Service Commission, Bengal, before the examination begins. Appointments will be assigned to successful competitors with due consideration to their choice and the number of vacancies in the services.

3. **Qualifications.**—The indispensable qualifications of a candidate are—

(*i*) that he is a native of Bengal or has a permanent domicile within the Presidency of Bengal;

(*ii*) that he is a natural born subject of His Majesty, or of an Indian State in respect of whom the Governor has made a declaration under section 262 of the Government of India Act, 1935;

(*iii*) that he shall have attained the age of 22 and shall not have attained the age of 25 on the 1st October 1945, it being clearly understood that the age limits can in no case be relaxed;

(*iv*) that he is a graduate of a recognised University;

(*v*) that he is of good character; and

(*vi*) that he is of sound health, good physique, active habits and free from organic defects or bodily infirmity.

4. **Applications—Method of submission of fee, etc.**—(*i*) A person desiring to be admitted to the examination shall apply before the 14th September 1946 to the Secretary, Public Service Commission, Bengal.

(*ii*) Applications shall be made on the form shown in Schedule I, copies of which may be obtained from the Secretary, Public Service Commission, Bengal, Anderson House, Alipore, personally or **on sending an addressed envelope with a nine pies stamp.** They must not be addressed to the Secretary by name.

(*iii*) No application will be considered unless it is accompanied by a chalan showing payment into a Government treasury in Bengal, or Reserve Bank of India, Calcutta, of the sum of Rs. 5. This payment is obligatory whether such application is subsequently rejected or not and no claim for a refund of this fee will be entertained. *Applications stamped with postage or other stamps will not be accepted.*

(*iv*) No allegation that an application form or letter respecting such form, has been lost or delayed in the post will be considered unless the person making such allegation produces a Post Office registration receipt or certificate of posting. Candidates who delay their applications until a late date will do so at their own risk.

5. **Admit Cards.**—The Public Service Commission will issue admit cards to all candidates who are eligible under the rules to appear in the examination. No candidate shall be admitted to the examination unless he holds such a card.

6. **Particulars and certificate required.**—Every candidate shall attach to his application the following certificates:—

(*i*) a certificate of graduation from the Principal of the College from which he graduated or from the Registrar of the University in which he graduated;

(*ii*) Matriculation certificate in original and an attested copy thereof;

(*iii*) certificates, written not more than one year prior to the date of his application from two responsible persons unconnected with his college or university, and not related to him, testifying to his private character and stating that he is a native of or has a permanent domicile within the province of Bengal. Certificates other than the original Matriculation certificate will not be returned.

The Public Service Commission may require such further proof or particulars from the candidates as they may consider necessary, and may make enquiries regarding their character and domicile.

7. **Examination fee and time-table.**—Every candidate to whom an admit card has been issued will deposit into a Government treasury in Bengal or Reserve Bank of India, Calcutta, a sum of Rs. 50 as examination fee and forward the receipt for the same to the Secretary, Public Service Commission, Bengal, by the late fixed. In no circumstances will the fee paid be refunded. Delay in this respect may render a candidate's name liable to removal from the list of examinees. On complying with this requirement, the candidates will receive from the Secretary a time-table for the examination. The examination will be held at two centres, viz., Calcutta and Dacca, if sufficient candidates are forthcoming. The candidates should clearly mention in their application forms the centre where they wish to sit. The dates and place of the examination will be communicated to the candidates separately.

8. **Canvassing.**—Any attempt on the part of a candidate to enlist support for his application through persons of influence or officials of Government will disqualify him for appointment. Spontaneous recommendations from persons interested in the candidates, or otherwise known to them, will be disregarded.

9. **Disclosure of identity.**—Candidates should not write their names or roll numbers anywhere except in the space provided for the purpose on the answer books. Any paper containing a mark or a hint revealing the identity of a candidate will be rejected without further scrutiny.

10. **Ineligibility of Government servants.**—Unless specially exempted by Government in the C. M's. (General Administration) Department by general or special order, no person holding a substantive appointment in Government service or an appointment on probation against a substantive vacancy under Government is eligible to appear at the competitive examination.

Applications from candidates who are in temporary or permanent employment under any Government in India will be rejected unless they are submitted through the appointing authority of their posts or service.

11. **Syllabus of examination and marks.**—The examinations will be held in the subjects and according to the syllabus shown in Schedule II which also indicates the numerical value to be attached to each paper at the examination.

As the possession of a knowledge of a provincial vernacular is an essential condition of appointment, candidates, whose ordinary spoken and written language is not Bengali, must take up translation from English into one of the provincial vernaculars named below:—

(*i*) Bengali,
(*ii*) Hindi,
(*iii*) Urdu,
(*iv*) Nepali,

and *vice versa* in the compulsory paper. Successful candidates, however, who have offered any language other than Bengali in that paper and are appointed to a service for which there is a Departmental Examination, will be required to pass completely the Departmental Examinations in Bengali within two years of the date of their appointment to the service.

12. **Medical Examination.**—As soon as the results of the examinations are ready, a proportion of the candidates who have qualified will be called upon to appear before a Medical Board for a certificate of their fitness for Government service in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules. An order to appear before the Medical Board must not however be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be slightly in excess of the total number of vacancies, and the question of his appointment will depend upon the results of the medical examination taken as a whole. Regulations governing the physical examination of candidates are set forth in Schedule IV of the Bengal Provincial Services Recruitment Rules and intending candidates are advised before they apply for admission to the examination to satisfy themselves that they are likely to qualify as physically fit under those regulations, for experience has shown that a considerable number of the candidates at the competitive examinations are subsequently rejected by the Medical Board as unfit.

13. **Availability of old question papers.**—These question papers may be purchased from the Publication Branch, Bengal Government Press, Alipore, or from Cash Sales Office, Writers' Buildings, Calcutta, at Re. 1 for a complete set of questions for one year.

2. On demand made by the said Collector the obligations of the society under the last preceding clause not being thereby limited, the society shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the society of all demands under the foregoing first clause, or in the discretion of the said Government of Bengal (on deposit by the society of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the above-mentioned act, the Governor shall make over possession of the said land to the society and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the society.

4. The said land shall be held by the society for the purposes of the provision of amenities directly concerned with the shrine and also for the construction of a dharmasala, for maintaining a library of religious scriptures, for providing drinking water for the use of the pilgrims and the people in general as are hereinbefore mentioned and without the sanction in writing of the said Government of Bengal first had and obtained for no other purpose whatsoever.

Provided further that—

(i) any reciprocal arrangements subsisting at the date of the commencement of this Act between a Provincial Council and any authority outside India for the recognition of qualifications shall, subject to any earlier termination of the arrangements in accordance with the terms thereof, continue in force; and

(ii) any qualification granted by an authority in any Indian State and recognised on the said date by a Provincial Council shall continue to be a recognised qualification for the purpose of registration in the Province,—

until the expiry of three years from the said date, or until a scheme of resiprocity is concluded

by the Council under this sub-section with the authority concerned, whichever is earlier.

(4) The provisions of sub-sections (2) and (3) and of sections 14 and 15 shall apply *mutatis mutandis* to the declaration by the Council of a qualification granted in respect of post-certificate nursing training as a recognised higher qualification.

11. Effect of recognition.—Notwithstanding anything contained in any other law,—

(a) any recognised qualification shall be a sufficient qualification for enrolment in any Provincial register;

(b) no person shall, after the commencement of this Act, be entitled to be enrolled in any Provincial register as a nurse, midwife, health visitor, or public health nurse or as an assistant nurse or assistant midwife, unless he or she holds a recognised qualification:

Provided that any person already enrolled in any Provincial register before the date of the commencement of this Act may continue to be so enrolled not withstanding that he or she may not hold a recognised qualification;

(c) any person holding a recognised higher qualification shall be entitled to have the qualification entered as a supplementary qualification in any Provincial register in which he or she is enrolled, and after the commencement of this Act no person shall be entitled to have entered as a supplementary qualification in any Provincial register any qualification which is not a recognised higher qualification.

12. Power to require information as to courses of study and training and examinations.—Every authority in British India which grants a recognised qualification or a recognised higher qualification shall furnish such information as the Council may, from time to time, require as to the courses of study and training and examinations to be undergone in order to obtain such qualification, as to the ages at which such courses of study and examinations are required to be undergone and such qualifications conferred, and generally as to the requisites for obtaining such qualification.

(3) The Executive Committee shall forward a copy of such report to the authority or institution concerned, and shall also forward copies, with the remarks, if any, of the authority or institution concerned thereon, to the Central Government and to the Provincial Government and Provincial Council of the Province in which the authority or institution is situated.

(a) that the courses of study and training and the examinations to be gone through in order to obtain a recognised qualification from any authority in British India, or the conditions for admission to such courses or the standards of proficiency required from the candidates at such examinations are not in conformity with the regulations made under this Act or fall short of the standards required thereby, or

(b) that an institution recognised by a Provincial Council for the training of nurses, midwives or health visitors does not satisfy the requirements of the Council,—

the Council may send to the Government of the Province in which the authority or institution, as the case may be, is situated a statement to such effect, and the Provincial Government shall forward it, along with such remarks as it may think fit to the authority or institution concerned and, in a case referred to in clause (b) to the Provincial Council also, with an intimation of the period within which the authority or institution may submit its explanation to the Provincial Government.

(2) On the receipt of the explanation or, where no explanation is submitted within the period fixed, then on the expiry of the period, the Provincial Government shall make its recommendations to the Council.

(3) The Council, after such further inquiry, if any, as it may think fit to make, and in a case referred to in clause (b) of sub-section (1), after considering any remarks which the Provincial Council may have addressed to it, may declare,—

(a) in a case referred to in clause (a) of that sub-section, that the qualifications granted by the authority concerned shall be recognised qualifications only when granted before a specified date, or

(b) in a case referred to in the said clause (b), that with effect from a date specified in the declaration any person holding a recognised qualification whose period of training and study preparatory to the grant to him of the qualification was passed at the institution concerned shall be entitled to be registered only in the Province in which the institution is situated.

(4) The Council may declare that any recognised qualification granted outside British India shall be a recognised qualification only if granted before a specified date.

15. Mode of declarations.—All declarations under section 10 or section 14 shall be made by resolution passed at a meeting of the Council called for the purpose, and shall forthwith be published in the official Gazette.

STATEMENT OF OBJECTS AND REASONS.

Provincial Nursing Councils have been established in all Provinces except the North-West Frontier Province and maintain registers of qualified nurses, health visitors and midwives. Increasing difficulties have been experienced by the nursing profession and by employing authorities owing to the diversity in the standards of preliminary education of candidates entering training schools of nursing, the varying standards of training and examination for nursing certificates and the lack of interprovincial reciprocity in the registration of nurses. To remedy these difficulties it is proposed to enact legislation for the purpose of setting up an Indian Nursing Council which will prescribe uniform minimum standards of education and training for nurses, midwives and health visitors, supervise examinations, and maintain a schedule of qualifications recognised for registration throughout British India.

hereto and delineated in the plan* hereunto annexed.

And whereas the said Government of Bengal, being satisfied by an enquiry held under section 40 of the said Act that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Society the piece or parcel of land hereinbefore described.

And whereas the said Government of Bengal has required the Society under the provisions of section 41 of the abovementioned Act to enter into the agreement with the Governor hereinafter contained. Now this indenture witnesseth that it is hereby agreed and declared as follows:—

3. On payment by the Society of all demands under the foregoing first clause, or, in the discretion of the said Government of Bengal (on deposit by the Society of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Society and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Society.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(*i*) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Society.

(*iii*) Should the said Government decide to sell the buildings only upon such sale, the Governor after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Society, together with the sum received from the Society in respect of the compensation for the land, (less the statutory allowance of 15 per cent. and less any amount received from the Society on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be entitled to use the said land through the Society on the terms on which the Ramkrishna Mission Sisumangal Pratishthan is used by the public.

1. The Registrar shall deal with the following matters relating to appeals to His Majesty in Council under section 411A (*4*) of the Code:—

(*a*) Service of notices and other processes;

(*b*) Preparation and printing of Paper Books; and

(*c*) All other matters which the Criminal Appellate Court may authorise him to deal with or dispose of.

2. The notice mentioned in rule 20(*ii*) of Chapter XXXVII-B may be served on the Junior Public Prosecutor or the Attorney who acted for the opposite party at the hearing of the appeal under sub-section (*1*) of the said section, unless the power of attorney in his favour has meanwhile been cancelled.

3. Every application referred to in rule 20(*ii*) of Chapter XXXVII-B shall first be filed with the Registrar who shall ascertain if it is properly stamped and within time and otherwise in order and if it complies with the provisions of these rules. If the application is defective in any of these respects, the Registrar shall notify the fact to the Junior Public Prosecutor or the Attorney of the applicant as the case may be in writing and make a report to that effect to the Criminal Appellate Court for orders. If the application is in order, he shall set it down in a list for hearing before the Criminal Appellate Court.

4. When the Criminal Appellate Court declares that a case is a fit one for appeal to His Majesty in Council and decides to dispense with the deposit referred to in rule 6 hereof, the Criminal Appellate Court shall forthwith declare the appeal to be admitted and an order making a declaration to that effect shall be drawn up and filed.

5. In a case in which special leave to appeal to His Majesty in Council has been obtained from the Privy Council, the appellant shall file with the Registrar a properly authenticated copy thereof. The Registrar shall, without delay, place the copy before the Criminal Appellate Court for necessary orders.

6. In any case not dealt with in the manner provided by rule 4 hereof in which leave to appeal to His Majesty in Council has been granted under section 411A (*4*) of the Code and in every case in which the appellant has obtained special leave to appeal from the Privy Council the appellant or his Attorney may be required within fourteen days from the granting of the leave to appeal or the filing of the Order in Council as the case may be,

to deposit a sum of Rs. 400 (Rupees four hundred only) with the Registrar and such further sum (if any) as may be subsequently required towards the defraying of the expenses of transcribing, preparing, printing and, if necessary, forwarding the transcript or printed record to the Registrar of the Privy Council.

7. The appellant shall at the time of the deposit, if any, under rule 6 state whether or not the record is to be printed in India.

8. Upon the deposit, if any, referred to in rule 6 hereof being furnished, a certificate to that effect shall be submitted by the Registrar to the Criminal Appellate Court. The Court shall thereupon declare the appeal admitted and an order making the declaration shall be drawn up and filed.

9. The Registrar shall thereupon cause notices of such admission to be served on the respondent on the record. Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 300-II.—20th August 1946.—The following is republished for general information:—

Office of the Private Secretary to His Excellency the Viceroy.

New Delhi, the 30th August 1946.

No. 205-H.—*Corrigendum.*—The reference in Notification No. 167-H, issued by the Private Secretary to His Excellency the Viceroy, to Arthur Frank Kinchin, Inspector (officiating), Calcutta Police, on page 950, Part I—Section 1 of the *Gazette of India* of the 29th June 1946, is hereby deleted.

New Delhi, the 11th September 1946.

No. 214-H.—His Excellency the Viceroy has been pleased to award a Bar to the Indian Police Medal to the following officer:—

Bengal.

Name of officer and rank.—Arthur Frank Kinchin, Inspector (officiating), Calcutta Police. *Statement of services for which the decoration has been awarded.*—On the evening of the 22nd November 1945, Inspector Kinchin with a small Police party was on his way from Police Headquarters to the Medical College Hospital *via* Chittaranjan Avenue. At Colootolla Street the Inspector saw two military vehicles on fire; he could not see whether the drivers were with them or not. On the arrival of the Police party a large crowd began heavy stoning. The Inspector tried to disperse the mob by a lathi charge in order to save any possible occupants of the lorries; this was ineffective and the stoning became heavier, for the mob had increased in number when it saw how small the police party was. After due warning the Inspector fired two shots from his revolver, but the crowd on his other flank then advanced on the party with the intention of overwhelming it. The Inspector then ordered three of his Sergeants to fire and immediately made a further lathi charge. This had the effect of dispersing the crowd and allowing the Inspector to investigate the burning lorries in which he found no occupants. On the 13th February 1946 in the evening, Inspector Kinchin was sent with a police party to Dhurrumtolla Street where rioting had been reported. On reaching the Methodist Church in Dhurrumtolla Street the Inspector found a crowd of over 1,000 gathered round a fire on which they were piling furniture from the church; the crowd had also set the church on fire. On the Inspector's arrival this crowd immediately proceeded to stone the police party. The Inspector made a lathi charge which was ineffective and stones began to be thrown from side lanes. The Inspector fired four rounds from a musket which caused the crowd to withdraw a short distance. The Inspector held his position until police reinforcements and the Fire Brigade arrived. In both these incidents Inspector Kinchin showed great resolution and courage.

This award is made for gallantry under regulation (d)(i) of the Regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officer of and below the rank of Inspector of Police.
